## **Philosophy of Highland Middle School**

We believe in the worth of the individual and recognize our responsibility to help each individual to develop their physical, intellectual, and creative capacities as fully as possible.

Realizing the vastly different maturity levels which occur during the middle school years, we strive to help our students to develop their abilities and interests in each stage of the early adolescent period. We believe our educational program should be geared to the special needs and capabilities of the middle school student and that we must be engaged in a continual search for innovations and improvements which will enhance the effectiveness of our program.

We accept the obligation of the middle school to assist each student into developing as a responsible member of a democratic society, including the development of critical reasoning and the assumption of responsibilities for oneself and toward mankind.

We believe the middle school serves an important function in providing a unique, yet integral, transitional period between the elementary school and the advanced educational program of the high school.

### **Literacy Vision**

Literacy is everybody's business.

### **HMS Vision for Literacy**

Students are encouraged to contact their counselor on their own. They may be referred to a counselor by a teacher, parent, or friend.

##### **B. HEALTH SERVICES**

###### **Requirements:**

The nurse and other volunteers work within the schools to assist students and school personnel. A medical history of each student is obtained from the parent and recorded on the school health record. All screening test results, such as vision and hearing, are indicated on the school health record. Parents are notified of findings that are less than normal and encouraged to seek medical attention.

Indiana State Law (IC20-8.1-7 as amended by Public Law 103, Acts of 1985) requires that when a student enrolls in a school corporation, the governing body shall require that the parents furnish a written updated statement of the student's immunizations no later than the first day of school.

## 2018-2019 GRADES 6-12

- 5 doses of DTap (Diphtheria-Tetanus-Acellular Pertussis, DPT (Diphtheria-Tetanus-Pertussis, or pediatric DT (Diphtheria-Tetanus vaccine) (4 doses are acceptable if the 4<sup>th</sup> dose was administered on or after the 4<sup>th</sup> birthday and at least 6 months after the 3<sup>rd</sup> dose)

Any parent wishing to be exempt from the above regulations, because of religious beliefs or medical reasons, should submit a written request for exemption, and the request must be filed annually with the school corporation.

### **Illnesses:**

**A student who needs to go home due to illness must report to Health Services first.** Before a student may leave school, a parent or other designated adult must be notified for pickup and the student must be signed out.

If an accident occurs, first aid will be administered, and if necessary, the parent will be called. It is important to have an emergency number on file.

If a student becomes ill or injured and it is not an emergency situation, they need to report to their classroom teacher first for a pass to the Nurse's Office. **STUDENTS ARE NOT TO USE CELL PHONES TO CALL OR TEXT PARENTS** (use of cell phones for this purpose will result in a referral). The nurse will make the necessary contacts if a student needs to leave because of illness or injury. Students determined to be too ill to return to class will be sent home only after the nurse contacts a parent, guardian, or other responsible adult on the emergency contact form. If emergency care is necessary, a parent will be contacted to determine appropriate action.

### **Medication:**

1. Prescriptive Medication
  - A. Prescriptive medication may be given to students if:
    1. The form entitled AUTHORIZATION TO ADMINISTER PRESCRIPTION MEDICATION is completed and signed by a physician and the parent or guardian. 2. Non-prescriptive medications (such as aspirin and other over-the-counter medications) may be given to a student if:
  - A. A parent authorization form (lower portion of form) is completed and signed by a parent.

B. The medication is stored in the nurse's office. The student does not keep it in his/her possession.

C. The medication must be FDA approved.

### **C. EXCUSES FROM PHYSICAL EDUCATION**

A student presenting a valid written excuse from the parent to the P.E. teacher will be placed on limited activity for 2 days, which will include dressing for class. Limited activity is determined by the teacher, with student input. More than 2 days would require a written excuse from a physician. The physician must specify the date of return to activity. If it is stated "until further notice" or "until recovery," an additional written note from the physician will be necessary to return to activity.

### **D. MEDIA CENTER**

The media center is open each school day. A wide variety of materials are available for students. There is a networked online public access catalog (OPAC). In addition, many on-line databases may be accessed.

Guidelines:

1. Orientation in use of the media center is given to all students during the beginning of the fall semester.
2. Additional instruction in information gathering skills is given to students as classroom research projects evolve.
3. Students are responsible for all materials that they check out. If materials are lost or damaged, the current replacement cost is charged to the student.
  - a. Books are checked out for a two-week period. Fines are charged for overdue books at the rate of \$.05 per day up to the current replacement costs.
  - b. Magazines may be checked out on an overnight basis. Magazines are due before 1st period on the day following their check out. Fines are charged for late magazines at the rate of \$.05 per class period up to the current replacement cost.
  - c. Students who have overdue materials and/or fines may not check out materials until their obligations are cleared.

### **E. BOOKSTORE**

The bookstore is open each morning before the beginning of classes. Paper, pencils, flash drives, and other school supplies are available for purchase.

### **F. LOST AND FOUND**

7<sup>th</sup> & 8<sup>th</sup> grade Lost and Found is located in the office. 6<sup>th</sup> grade Lost and Found is located in the LGI where recovered items may be claimed.

### **G. GRADING POLICY**

#### **1. Grade Card**

The semester term is divided into two grading periods of nine-weeks each. Report cards are issued to students at the end of each grading period for the purpose of keeping students and their parents informed about scholastic and attendance records. Reports cards will be available on RDS the Friday following the end of each nine-week grading period. If needed, parents may secure copies of report cards from the school office. RDS Parent Access is available at all times.

#### **2. Evaluation Marks**

Each teacher will evaluate the student's progress according to guidelines that are appropriate for the subject being taught. Grades for each class will then be reported as percentages on the report card according to the following ranges:

- A+ =98-100
- A =93-97
- A- =90-92
- B+ =87-89
- B =83-86
- B- =80-82
- C+ =77-79
- C = 73-76
- C- = 70-72
- D+ =67-69

D =63-66

D- =60-62

F =00-59

These percentages will be used to calculate the overall semester averages as described in the next section.

Conduct and Effort gradations:

- 1 Excellent
- 2 Satisfactory
- 3 Needs Improvement
- 4 Unacceptable

### **3. Semester Average**

The semester average will be determined by averaging the percent grades for each of the two 9-week periods. Each of the two 9-week periods are weighted equally and are averaged together to obtain the semester grade.

### **4. Mid-Term Progress Reports**

RDS parent access is available to check grades, attendance and discipline. If parents do not have access to a computer, they may request an update be sent home with their child.

### **5. Academic Honor Roll**

Honor Roll requirement is:

All grades 90% or above = A Honor Roll

All grades 80% or above = Honor Roll

Also, students must receive all 1's and 2's in conduct and effort to be eligible.

Conduct/Effort Honor Roll - Students who receive all 1's in effort and conduct will also receive recognition.

## **H. ISTEP**

Students who do not pass the LA and/or Math portion of the ISTEP will be placed in an additional Math/Reading class. This class will replace an encore class, band, orchestra, choir or reading/PE.

## **I. PROMOTION/RETENTION**

The goal of the middle school program is to insure that each student has the skills necessary to be successful at the next level of learning. A variety of standards are used to make this determination.

The guidelines for possible retention are:

1. Any two core subject failures based on the first semester average.  
Any two core subject failures based on the third grading period and projections for the fourth grading period.
2. Sub-standard performance on group testing (ISTEP+ and MAPS).
3. Teacher/team recommendation
4. HMS principal will make the final decision.
5. The parent could be notified of the possibility of retention as early as the end of the first semester of the school year.

## **V. STUDENT RESPONSIBILITIES**

### **A. TRANSFERS AND WITHDRAWALS**

Students withdrawing from Highland Middle School should complete the following steps:

1. In a written note to the school, have their parents declare their intention to withdraw the student from attendance at HMS and indicate the name of the school to which transfer will be made. A withdrawal form must be signed in the office by the parent(s) before the student leaves.
2. Students are responsible to turn in their textbooks to teachers.

## **B. BOOK RENTAL**

Textbook rental and fees are due and payable online during registration. If unable to pay in full, a parent may set up a payment plan in RDS. The amount due for book rental and fees could vary depending on the courses a student is taking. Fees will be pro-rated for students who either register or withdraw from classes during the course of either semester.

Students accepted on the free or reduced lunch program qualify for a reduction of their book rental/fees cost.

Students are responsible for all books, materials, supplies, and equipment assigned to them or provided for their use. Abuse or loss of such items will result in payment for the lost or damaged items and possible disciplinary action.

Any student using a school instrument (Band or Orchestra) is responsible for all repairs or replacement for damages. All instruments must be returned at the end of each school year.

## **C. FEES**

In addition to book rental, fees are charged for consumable materials used in certain courses and Discover classes. These fees are included in the book rental fee. Regardless of the purpose, all checks should be made payable to **Highland Middle School**. Credit cards and online payments are also accepted.

## **D. LOCKERS**

According to Indiana State Law, school lockers remain the property of the school, and the school authorities have a responsibility and a right to examine the contents of those lockers for reasons of health, safety, and security. Acceptance of a locker by the student is acknowledgment of this right.

1. Lockers should contain jackets, lunches, and books only. Students should bring no more items to school or food than they intend to use on any given day. Money and other valuables should never be left in lockers.
2. The school is not responsible for loss to or damage of a student's personal property.
3. All books and personal belongings are to be kept in a neat, orderly fashion.
4. Locker combinations are strictly private information and must not be given out to anyone.
5. Locker malfunctions must be reported to the office immediately.

7. Under no circumstances should any locker be kicked, hit, drawn on, or defaced in any way.
8. Any persons caught tampering, opening, or removing items from any locker other than their own without proper authorization will face strong disciplinary action.
9. Students should never leave their locker without making sure it is locked.
10. A \$5.00 fee will be required in order to change a locker combination.
11. Sunglasses, backpacks, etc. are to be stored in the student's locker during the day.

## **E. EMERGENCY DRILLS**

Fire drills are required by law in Indiana. Drills will be held monthly. Evacuations are timed and recorded for the Fire Marshall. Fire evacuation routes are posted in each classroom.

Tornado Drills are held at least twice each semester. Each classroom has posted a designated tornado shelter area for students in that class in case of a tornado drill or warning.

Lockdown Drills are also held periodically throughout the year.

During any drill, students are to remain with their own class and teacher and behave in accordance with teacher directions at all times.

## **F. BOMB THREATS**

School personnel work closely with the police department utilizing established procedures to ensure the safety and well-being of students and staff.

## **G. TELEPHONES**

Use of the office phone or personal cell phone by students is permitted with staff approval.

## **H. ATTENDANCE POLICY AND PROCEDURES**

### **1. ABSENCE DEFINITION AND CLASSIFICATION**

The State of Indiana designates a child as a habitual truant or chronically absent when their unexcused absences exceed ten (10) days in one school year. Absences may be classified as countable or non-countable. See table:

#### **Countable Absences - Excused**

The following are examples of COUNTABLE absences that are EXCUSED and COUNT toward the student's ten day limit. Students are allowed to make up all work missed on these days.

1. Personal illness not verified by a physician's statement.
2. Prearranged absences.

#### **Non-Countable Absences - Excused**

The following are examples of NON-COUNTABLE absences that are EXCUSED and DO NOT COUNT toward the student's ten day limit per semester. Students are allowed to make up all work missed on these days.

1. Personal illness verified by a physician's statement that the student is not to attend school.
2. A death in the immediate family (parent, sibling, grandparent).
3. Court appointment (other than traffic violations)
4. In or out of school suspension
5. Doctor and orthodontic/dental appointments.
6. Religious holidays The School Town of Highland is aware that during the school year, religious holidays may fall on school days. The School Town of Highland wishes to work with our students and their families in accordance with applicable law to allow students to participate in observance of these holidays. It is therefore the position of the School Town of Highland to permit students an excused absence for observance of a religious holiday. In order for an absence to be considered excused, parents or guardians must provide the student's school with a written excuse explaining that the absence is due to the observance of a religious holiday. The absence may be excused only if it is taken on the actual date of the holiday in question. Students are responsible to make-up all work missed as a result of an excused absence.

#### **Exempt**

The following are examples of absences that a student is excused from school, are not to be recorded as absent, and will not be penalized in any way by the school:

1. Serving as a page or honoree in the Indiana General Assembly.
2. Participating in an election. (must submit required form in advance)
3. Testifying in court under subpoena.

**Countable Absences - Not Excused** Truancy is an example of a COUNTABLE absence that is UNEXCUSED and COUNTS toward a student's ten day limit.

### **2. ABSENCE PROCEDURE**

Parents or guardians must call the school office between 7:30 AM and 9:00 AM if a student is going to be absent, tardy, or leave the school for an appointment. If the parent explains on the student's first day of absence that the student will be gone for an extended time, in the hospital, long illness, etc., then the parent need not call back every day.

THE PHONE CALL DOES NOT GUARANTEE AN EXCUSED ABSENCE. (See excused absence above). Office staff answering the phone will ask the reason for the absence. If there is an unusual circumstance for a student's absence, parents should ask to speak with an administrator.

**The student should report to the office immediately upon returning to school. The student should bring a note from home. The note should contain the student's name, date(s) of absence, reason for absence, and a parent signature.**

If the absence was due to illness and a physician was visited, a medical excuse must be presented to the office within three days verifying the date(s) the student was too ill to attend.

Routine medical and dental appointments are excused absences. A student who has an appointment should bring a note to school from a parent verifying the appointment and the time the student is to leave school. This note must be presented to the office before school begins on the day to be excused. This student will be given a "Passport" which allows him/her to leave class at the designated time. The student must then report to the office and sign out. Upon return, the student must sign back in. A note from a physician's or dentist's office verifying the time to be excused must be presented to the office. Only the time of the appointment and appropriate travel time will be excused.

### 3. PROCEDURE FOR SIGNING IN-SIGNING OUT

Students arriving to school after 8:27 AM must report directly to the office and sign in; those arriving after 9:00 AM must provide a note from the parent explaining the reason for being late. Once a student arrives at school, he/she is expected to stay in the building until school is dismissed. If a student needs to leave the building for any reason, he/she must sign out through the office.

### 4. VACATIONS:

Parents who take children out of school for vacations must assume responsibility for unsatisfactory work or difficulty in school work caused by such absences. It is recognized that certain types of class work can only be accomplished through DIRECT student participation during regular class time, and, therefore, cannot be made up; students will, however, be held responsible for this material on tests, quizzes, and final exams. **Pre-arranged vacations are COUNTABLE** absences that are EXCUSED and COUNT toward the student's ten-day limit.

### MAKE-UP-WORK:

- a. All missed work from an excused absence is the responsibility of the student and must be made up to receive credit. Work is to be made up in the number of days absent plus one or a zero will be given for that assignment.
- b. Missed work can be accessed through the HMS website under academic teams. Parents may come to school at 3:30 PM with their child's locker number and combination and go down to their locker for their books. Those without internet access can contact the office by 9:30 AM to request work be sent home after the second full day of absence.
- c. The following conditions will apply to students who receive suspension:
  1. Tests and quizzes will be made up and count academically.
  2. Daily assignments should be made up in a timely manner.

### J. PASSES

All students should have a pass obtained from a teacher to be in the halls other than during passing times. Passes should be given to all students who are excused from class. It is the student's

responsibility to secure a pass before he/she leaves the room. Students will not be admitted to Health Services without a pass. If it is passing time, the student must report to the next class to obtain a pass.

#### **K. EMERGENCY SCHOOL CLOSINGS**

In the event of severe weather or any type of an emergency that would warrant the closing of the schools, please do not call the schools. We have been instructed to listen to WJOB (emergency closing information). We post any emergency closing or late start information on our website at [www.highland.k12.in.us](http://www.highland.k12.in.us) and the emergency system calls all home phone numbers with any information. The information is also on Twitter and NWI Town Planner.

Students are expected to show courtesy to the bus driver and to other students and to behave in a manner which promotes safety. All school rules apply to students from the time students leave their homes in the morning, until they return into their homes after school. Students are to leave the school building after school is dismissed. Only those students involved in an after-school activity are allowed to remain in the school. Students participating in an activity involving a staff member or coach have ten minutes to reach the assigned area. Upon dismissal from the activity, students are to leave the building immediately.

## **STAFF/STUDENT E-MAIL AND INTERNET ACCEPTABLE USE POLICY**

### **PURPOSE**

The computing systems, networks and related facilities in the School Town of Highland are intended to support the School Town mission statement

"Through motivations, challenge, and recognition, we pledge to teach the knowledge and skills essential to respond effectively to the demands of an ever changing world."

To this end, the School Town's growing technology provides unequalled opportunities to explore and use a varied and exciting set of resources including computer programs, CDs, electronic mail, and Internet. With the Internet use also comes a potential for abuse. It is expected that the School Town of Highland faculty will blend thoughtful use of the Internet throughout the curriculum and will provide guidance and instruction to students in its use. As much as possible, access from school to Internet resources should be structured in ways which point students to those sites which have been evaluated prior to use. While students will be able to move beyond those resources to others that have not been previewed by staff, they shall be provided with guidelines and lists of resources particularly suited to learning objectives. Outside of school, families bear responsibility for the same guidance of Internet use as they exercise with information sources such as television, telephones, radio, movies, and other possibly offensive media. The purpose of this policy and subsequent Internet contract is to make sure that all who use the network services, including students, parents, and faculty, realize that the educational value of student Internet access is the joint responsibility of the students, parents and employees of the School Town of Highland.

The most important prerequisite for someone to use the network services is that he or she takes full responsibility for his or her own actions. The School Town of Highland will not be liable for the actions of anyone while using the network locally or on the Internet. All users shall assume full liability, legal, financial, or otherwise, for their actions. In addition, the school system takes no responsibility for any information or materials that are transferred through the Internet, either through the school equipment or personal equipment from a remote location, and stored on School Town file servers.

This complete policy and accompanying procedures are available for review by all parents, guardians, and other members of the community.

## **RULES AND RESPONSIBILITIES OF THE E-MAIL USER**

The content and maintenance of a user's electronic mailbox is the user's responsibility. Each e-mail user will:

1. Read the School Town of Highland Staff/Student E-mail and Internet Acceptable Use Policy, complete a School Town of Highland Network Resources Contract, and obey the provisions of that agreement. In addition to the form, student users of the internet must have their parent or guardian read through the Policy and sign the bottom of the contract.
2. Use the e-mail system for its intended educational purposes only.  
Commercial use of e-mail is prohibited. Use of the Internet for partisan political purposes is prohibited.
3. Never deliberately or wilfully disrupt the services of the e-mail system or damage any of the software, hardware, or security associated with the network.
4. Respect the rights and privacy of others on the network. This would include but not limited to viewing mail without permission, sending mail under another person's name, tampering/changing another person's password without consent, or sending harassing messages.
5. Check the e-mail daily, delete unwanted messages, and keep the remaining number of messages to a minimum in the mailbox since they taken up file server storage space. Messages should be deleted after one month.
6. Never assume that your e-mail cannot be read by anyone except yourself since copies can be forwarded or sent as carbon copies. Never send or keep anything that you would not mind seeing in the daily newspaper.
7. Use proper e-mail etiquette when composing messages. Refrain from using derogatory or discriminatory statements based on race, religion, sex or statements that may constitute sexual harassment.
8. Not communicate in any way that violates School Town of Highland policies and/or local, state, or federal laws and regulations.

## **ADMINISTRATIVE RESPONSIBILITIES FOR E-MAIL AND INTERNET**
