Students and Staff gathered for the Annual Flag Ceremony to Commemorate the Start of the New School Year!
Girls on the Run Inspires Smiles and Has GirlsCompleting 3.1 Miles

An after school program for girls grade 3 through 8 like no other. Girls on the Run of Northwest Indiana offers a 10-week curriculum based program designed to allow every girl to recognize her inner strength. The Girls on the Run curriculum inspires girls to define their lives on their own terms. Throughout the season, the girls make new friends, build their confidence and celebrate all that makes them unique.

The Girls on the Run lessons encourage positive emotional, social, mental and physical development. Participants explore and discuss their own beliefs around experiences and challenges girls face at this age. They also develop important strategies and skills to help them navigate life experiences. We start with helping the girls get a better understanding of who they are and what’s important to them. Then, we look at the importance of team work and healthy relationships. Exercise is also a component as they train to run a 5K. And, finally, the girls explore how they can positively connect with and shape the world.

Our Fall 2016 Program concludes with a celebratory 5K in a setting full of energy, smiles, dancing, cheers, frills, and finisher medallions at the end. Sign up your girl today.
